July Monthly Report (6/1/00-6/30/00)

Dear Ms. Williamson:

Please be advised that the Committee did not receive an excessive contribution. The contribution you highlighted in your letter is from a candidate committee. Please refer to 113.2(c) which states that a candidate committee may transfer unlimited excess campaign funds to a national political party.

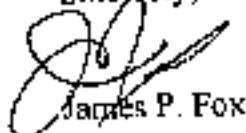

Enclosed please find our amended July Monthly report showing purpose for a particular joint expenditure which you listed in your letter.

Also, the media expenditures reported on Schedule H4 are for generic TV and radio media. Thus, the expenditures were reported correctly on our originally filed H4 schedules.

I've enclosed for your convenience the pages from Michigan Senate 2000 and New Mexico Victory 2000 FEC reports, Line 22 showing clearly the transfers to DSCC on 6/30/00.

If you require further information, please contact me.

Sincerely,
